ESTEVAN ARTS COUNCIL: Chalk Logos, Photo Collage and Drop In Crafts for Kids

Estevan's Artist in Residence, Diana Chisholm, has developed two projects that will take place over the week of the games. The first is a street art installation that allows community members, parents and athletes to re-mix the logos for each summer games event, in various locations, around the city in sidewalk chalk.. The second project will be a photo collage that athletes will be adding to over the course of the week. Drop into to the Art Tent 10 AM to noon Monday Tuesday, Thursday and Friday and do some kid's crafts with Diana. No registration is necessary for any of these events.
