"On behalf of the Volunteer Division, welcome to the team! We are one year out and so many plans have already been made with many more to come. It is truly inspiring to see the community members who consistently and tirelessly volunteer their energy from the start of planning through to event time. The 50th anniversary of the Saskatchewan Winter Games will be like no other. We look forward to volunteering with you, can't wait to see you 'face to face' soon!"

-Shannon Doka, VP & Alyssia Johannsen, AVP Volunteer Division
