

AHEAD OF THE GAME

2022 Saskatchewan Winter Games Volunteer Newsletter

Featured Volunteer

"Volunteering allows me to connect with my community and it offers me the chance to give something back to my community.

I have had the opportunity to meet a diverse range of people and I'm grateful for the enrichment they have given me. The Saskatchewan Winter Games will see a variety of young athletes representing their sport, culture and community. I feel it is important to support these young athletes by helping to make their experience memorable. Our volunteer team will take care of the details and I know we'll have some fun along the way.
