Featured Volunteer

It's been a blast volunteering for the 2022 Saskatchewan Winter Games. I am thrilled to be a small part of encouraging our provinces' young athletes back to the competition

stage and on a path to lasting memories of camaraderie and confidence sports provides. This particular experience has been a unique one, with the opportunity to work alongside female leaders and to be uplifted and inspired as we plan for this event. Without a doubt, the 50th anniversary of the Saskatchewan Winter Games will be reason to celebrate!
